

Westchester County Youth Committee Final Report 2019-2020 season

In the shortened season as a result of the Corona Virus, we completed 5/6 of the JBT program and completed the County Team, Doubles and Singles, Championship at Valley Lanes.

The Adult/Junior County Championship, the Last JBT at Cortlandt Lanes and the awards luncheon were all canceled.

The Sponsor Program was a great success raising \$2,200.00 which allowed us to give out \$10,000.00 in scholarships and awards to our association champions.

Each scholarship winner received a letter from the committee with the amount of the scholarships they had won. All scholarships have been submitted to USBC SMART.

With the luncheon being canceled, the trophies will be presented to the juniors at their home houses when the junior programs start up in the fall.

We will be working on next season's programs, as soon as we know when the centers are re-opening and the proto-call required.

Committee would like to thank our many volunteers and directors who helped this season:

**Barbara Campisi, Assn mgr
Angelo Corradino, Director
Jose Rojas, Director
Paul Terricciano, Director
Jana Rinaldo, Volunteer
Judy Terricciano, Volunteer
And the many parents who helped when we were short handed.**

Side Note: The Westchester County Jr Bowling Scholarship Tournament was also canceled. All the finalists, received a refund of their advancement fees. The scholarship donations raised by the centers will be used to fund future scholarships. We are planning next season's event.
